## PRESS RELEASE

Our December auctions were very successful and we would like to thank all our clients for their confidence and active participation.

This year Galerie Stuker celebrates its 80<sup>th</sup> birthday. What had started in 1938 as a small antic shop became with the time one of the greatest auctions houses in Switzerland and abroad.

80 years is a very long life span. During this period the galerie reorganized itself many times. And now it is another moment for a strategic reorganization.

Important changes among our employees as well as a careful evacuation of our large warehouses oblige us to cancel our spring auctions in 2019.

We would like to thank you for your understanding. Of course we remain at your disposal for any demands in 2019.

We wish you a Merry Christmas and a happy and prosperous New Year.
